

## **Exercise # 2: Customer Segmentation Worksheet**

| Customer | Internal or External? | Segments/ Description | Priority |
|----------|-----------------------|-----------------------|----------|
|          |                       |                       |          |
|          |                       |                       |          |
|          |                       |                       |          |
|          |                       |                       |          |
|          |                       |                       |          |
|          |                       |                       |          |
